25 YEARS – AND IT'S GETTING BETTER AND BETTER!

25 years of showcasing and supporting the community that is the Heart of the Murray Mallee. It takes a dedicated community to put on an event the size of the Karoonda Farm Fair for 25 successful years.

Events such as this don't just happen. Local people with their hearts firmly implanted in the community and its lifestyle; local council; local business; and those in the surrounding areas come together with knowledge, planning, labour, equipment and funds to allow this celebration to occur.

This is a community who has seen some tough times over those 25 years, when it would have been easier not to go ahead with the event. However, everyone realises the important role that The Karoonda Farm Fair assumes in bringing together the community and providing a one stop shop for advice, information, socialising and entertainment.

Given its history it's no surprise that the greatest thing on show at this year's Karoonda Farm Fair will be good old – Country Community Spirit!

Thank you to all past and present committee members, organisations, businesses, community and sponsors who have supported us – our success is yours!
