

HORSES, CATTLE, ALPACAS, ANIMALS GALORE

You already know we have Dogs and we definitely have Sheep!
But this year at the Karoonda Farm Fair there is a whole lot more.

Not to be missed by **Horse** owners will be the demonstrations from The Master Farriers Association's Bill Hunt and Robin Miles. They will be talking about and demonstrating correct **Hoof Care** for horses and will show basic shoeing techniques. Along with the demonstrations they will be available to answer your questions and will have an anatomy model and handouts to assist you.

We also have a **Cattle** Display and the guys have come up with a fun competition for you to participate in!

As you walk around you may even spot an **Alpaca** or **Camel** or two!
Don't miss out on our raffle, only 1000 tickets @ \$2 a ticket and you could win a couple of Alpacas from Abancay Alpacas or one of the other great prizes on offer from Grandisons Menswear and Horizon Leisure. Yes, they are real live alpacas – but we will only be allowing them to go to a suitable home. Don't be discouraged from entering if you cannot have alpacas because you can select to take our cash alternative. Proceeds from the raffle will go towards Karoonda's new community playground.

Alpacas at last year's Karoonda Farm Fair
