

FUN! FUN! FUN!

Children of all ages will have a ball at this years Karoonda Farm Fair.

With *FREE* activities in the BankSA Kids Entertainment Pavilion it is a truly affordable day out for the family. Stargold Puppet will be presenting “The Name of the Tree, an African Folktale” on Saturday (10am, 12pm, 2pm and 3.30pm) and will involve the children in puppet making workshops to be held through out the day Saturday. Along with craft, play dough, drawing, painting, computers and the reading/storytelling area this is the Pavilion to be in. Child and Youth Health will also be there to answer questions and offer advice to parents while their children play (or you can simply join in the play too!).

Don't forget to get the children moving on the 'Mallee Stump Trail' – it will make them happy to tour the whole Fair with you as they visit sites on their 'trail' to pick up goodies!

A fireman from the CFS will be there with his truck to show the children and a policewoman will be there with her police car.

Ravello's circus is back with its crazy antics and the always popular Animal Nursery will be also be at the Fair.

Auskick are making their debut at this year's Fair - just in time to kick off 'footy season'.

Face Painting, Balloons, Wobbles the Clown (Friday afternoon and night) and so much more on offer for the children, they won't want to leave.
