

SHEEP SHENANIGANS

Those crazy racing sheep will be back in the **Mallee Millions Sheep Races** this year. A fantastic, fun event! Sponsored sheep are auctioned to Fair goers who then become the owners of the sheep for the duration of the race. We cheer and encourage the sheep as they race, with the ‘owner’ of the winning sheep receiving a prize. All funds raised go to a worthy cause – with this year’s cause being Karoonda’s new community playground.

And, if the sheep races didn’t convince you of the unpredictable nature of sheep come and try your hand at **Sheep Counting**. You’ll need to be feeling sharp - it’s harder than it looks but a whole heap of fun! The cheeky characters running this event will give you tips and encouragement – and they guarantee that counting these sheep won’t put you to sleep!

Fast and furious action in the school’s section of the sheep counting competitions at the 2008 Karoonda Farm Fair.

Karoonda Farm Fair Committee member and sheep ‘trainer’ Bob Simcock gets the sheep moving in a Mallee Millions race, while the crowd cheer them on.
