

Karoonda Farm Fair & Show

2021

WWW.FARMFAIR.COM.AU

**REGIONS
LARGEST
EVENT
FOR OVER
32 YEARS.**

We are the regions largest event
as we showcase:

1. The things that make our region
and people unique
 2. Bringing new experiences and
services to the region
 3. Allowing access to Health and
Education services that they may
not have access to.
 4. Providing a consolidated array
of Trade Displays relevant to the
local industries.
 5. Embracing and enhancing the
magnificent community spirit our
region has.
-

With a diverse array of exhibitors each year, we regularly fill over 300 display sites.

Our attractions include:

- Livestock Displays
- Farm Machinery
- Farm Accessories
- Competitors
- Trade & Craft Sites
- Children Attractions
- Wool Handling
- Health & Education
- Fashion Parades
- Sheep Shearing
- Yard Dog Comp.

Each year we work hard to bring new and exciting attractions to the Farm Fair.

We are very proud of our achievements, but importantly, our phenomenal success ensures we receive widespread recognition and exposure. We would love for you to share in this exposure, and experience first hand the feeling of pride that comes from helping our community grow.

Attracts 7,000 - 10,000 people over 2 days.

PARTNER WITH KAROONDA FARM THROUGH SPONSORSHIP

Attendees at the Karoonda Farm Fair are from; the Murraylands, Adelaide Hills, Adelaide, Barossa Valley, Riverland, Fleurieu Peninsula; as well as both interstate and international visitors to the region.

The Farm Fair utilises a broad mix of advertising and promotional strategies to raise awareness of our event.

Each year in excess of \$25,000 is invested into attracting people to our event. This does not take into account the many hours of work provided by Committee Members.

A Community Event of this nature requires a dedicated, talented and experienced Committee - and this we have. Our past success is a testament to this. However, sponsorship is the other requirement that is necessary to ensure success.

WE LOOK FORWARD TO PARTNERING WITH YOU.

This proposal gives you information about our event and the way in which we feel will benefit you with partnering with us this year, and hopefully into the future.

While the packages we have outlined are standard in nature, we are more than willing to develop an alternative package, in co-operation with yourself, that will maximise the benefits to both of us and align more closely with your organisation.

We thank you for taking the time to consider our proposal and looking forward to working with you.
